

2023 Tax Documents

Overview and Schedule

BMO InvestorLine

We appreciate that tax season is an important time of year for investors. Depending on your investment holdings and account activity, you could receive a variety of tax slips that you'll need to prepare your annual tax return. To help simplify your tax preparation efforts we are providing a brief overview of the various tax slips and supporting documents you may receive from BMO, along with their expected availability dates. It's important to note that this schedule may be subject to change. Please make sure that you receive all required tax slips before filing your tax return with the Canada Revenue Agency ("CRA"), and Revenu Québec for Quebec residents, to prevent having to file an amendment. As a reminder, most Canadian individual tax returns are due on **April 30th, 2024**.

Please note that depending on your delivery preference, your tax documents will be posted to the BMO InvestorLine web site and/or placed in the mail as soon as they are available. If you would like to access your tax documents exclusively online, reducing paper and providing secure access, please make this change at www.bmoinvestorline.com.
